President and CEO Paul Schofer said, “**Classic Albums Live** is an incredible musical group, primed to deliver a live experience recreating one of the most iconic and top selling albums of all time: **Fleetwood Mac’s Rumours**. And **Blue Man Group** continues to redefine live entertainment through their combination of rhythmic artistry, groundbreaking technology and immersive audience. Classic Albums Live: Fleetwood Mac - Rumours

Thursday, January 29, 2026, 7:30 p.m.

Muriel Kauffman Theatre

For those who remember listening to an entire album, and the thrill of dropping the needle on the greatest music ever recorded, **Classic Albums Live** brings the world's greatest records to life on stage, note for note and cut for cut. The large and highly talented musical group foregoes costumes and impersonations but instead seeks to concentrate solely on creating the music. "Fleetwood Mac's *Rumours* is a sacred album, one of the most popular records in the history of recording," Classic Albums Live founder Craig Martin said. "We've worked very diligently to create the nuance and layering and thunder—when we hit the stage to play this masterpiece it is joyous, even the ushers can't help but sing along."

The Fleetwood Mac – Rumours show offers two distinct experiences: a faithful rendition of the iconic album comprises the first set, followed by a dynamic set featuring Fleetwood Mac's greatest hits.
